

Powerful cleaning  
**PowerDisc HD**

# PowerDisc HD

The PowerDisc HD is designed for the toughest demands. HD stands for heavy duty. It makes no difference if the job is sanding laminated / wood floors, wet scrubbing of hard floors or crystallising marble: you get a first class result with the removable 9.8 kg standard weight. In addition, another two weights of 4 kg each can be fitted. Power pure and simple. To transport, simply remove the standard weight.
