

cleanfix[®]

Mini ride-on scrubber dryer

RA565 IBC

The new Cleanfix RA565 IBC mini ride-on scrubber-drier is compact and highly maneuverable – ideal for confined working areas. Operation is very easy with the display integrated in the steering wheel. Ideal for daily cleaning thanks to the quiet suction motor with eco function.

Clean. Cleaner. Cleanfix.

RA 565 IBC

- Compact and very maneuverable for narrow working areas, fits into any passenger elevator.
- High productivity: 6 km/h, 65 l tank capacity and up to 4 h operating time - better than any walk-behind model.
- Simple operation, intuitive display integrated in the steering wheel.
- Brush ejection and pick-up at the touch of a button.
- Ideal for daily cleaning, low-noise suction motor with Eco function (55 dBA).
- Robust, chemical-resistant polypropylene tanks.
- Ergonomic access to the seat from both sides. Sitting position with comfortable pedal stop.

Steering wheel with integrated display

Brush and suction nozzle operation

Filling opening (hose or bucket) and scale for fresh water tank

Discharge hose for dirty water

Technical data

RA565 IBC item no.	566.000
Power batteries	150 Ah (C5)
