# Cleaning made easy

Whether inside or out, the hand-guided vacuum sweeper KS 650 IBC removes dirt and dust from all hard floors. It can also clean carpets with the carpet set. The machine is very manoeuvrable, easy to push thanks to its traction drive and highly efficient with a cleaning speed of 5 kph. The side brushes effortlessly reach dirt in corners and along edges. The overhead projection principle ensures that the dirt container is filled optimally. Because the KS 650 IBC is battery-operated and fitted with an onboard charger it gives off no harmful emissions. A clean job in every respect.

# Benefits at a glance

- High cleaning performance thanks to large main brush
- Maximum container filling thanks to overhead projection
- Wide side brushes overlap round corners
- Powerful dust retention
- Easy-to-empty dirt container
- Manoeuvrable thanks to traction drive
- Maintenance-free battery with onboard charger
- Sturdy steel frame design
- Optional: carpet set for effective carpet cleaning

Filter is cleaned by moving lever to and fro.

Easy removal of dirt container.

Filter inside the machine.

The container is always in balance and only tips when required.

<b>KS 650 IBC, battery-operated</b>	
Art. Nr. 065.000	
<b>Technical data</b>	
Total power	750 W / 12 V
Dirt container volume	35 litre
Dirt container weight	25 kg
Traction drive	Continuously variable
Weight incl. battery	122 kg
Productivity rate theoretical with / without side brush	3525 m <sup>2</sup> /h / 2525 m <sup>2</sup> /h
Working width with side brush	71 cm
Speed	5.0 km/h
Dimensions L / W / H	110 / 71 / 72 cm

No mercy for dirt along edges.

Interior cleaning of high-bay warehouses.

Perfect cleaning performance for medium-sized areas outside
