

CLEAN. CLEANER. CLEANFIX

HORECA

Cleanfix for an all-round clean feeling.

Your discerning guests expect a first-rate cleaning experience in terms of cleanliness and hygiene. With the wide range of Cleanfix cleaning systems, we help to improve the guest experience and ensure maximum satisfaction. Each of our machines has been developed with the aim of fully meeting your specific cleaning requirements. Implementing user-friendly, robust and effective solutions ensures consistent and safe cleaning in all areas. The result is attracting and retaining guests and strengthening your brand through a spotlessly clean environment. The simple and reliable use of our machines saves time and money. The resource-saving production and durability of our products help to create a cleaner future for tomorrow, today.

Our dealer and branch network can be found on our website.
