Robust, user-friendly gives you the perfect cleaning result

E44 Excenter

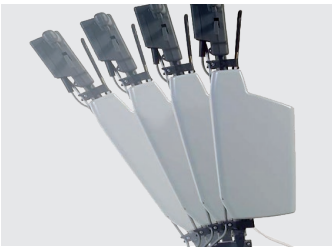
With the weight of 66 kg (incl. additional weight) as well as 2720 1/min you have the perfect cleaning result for almost all floors (concrete - and natural stone, PVC, tile, safety floors as well as parquet). You can not only (deep) clean, sanding but also peel coatings.

Clean, cleaner, Cleanfix

E44 Excenter

Our patented handle adjustment as well as the large transport wheels for easy transportation are great advantages. Also useful are the two detents (750.586 kit detent pins) on the body that allow you to either lift the wheels off the ground to leave no running marks or turn the handle completely upside down to get maximum weight on the ground. By adding additional weights in pieces, you can perfectly adapt the machine weight to your application. Simply set up the brush head of the E44 Excenter and you can easily change the pads or store the machine.

E44 Excenter
Scope of delivery



Fully adjustable telescopic handle, optional with solution tank

lift the wheels off the ground to leave no running marks

Turn the handle completely upside down to get maximum weight on the ground

Technical data

Total power	1100 W
Movements	2720 1/min
Surface pressure on the floor	39 gr/cm2
Working width	ø44 cm
Working height	33 cm
Cable length	12.5 m
Weight excl. additional weights	40 kg
Weight incl. additional weights	66 kg
Vibration strength handle	< 2,4m/s2
Protection class	IP X4
Torque	3.8 Nm
